Relief Road, Santacruz (West), Mumbai – 400054

ACADEMIC AND ADMINISTRATIVE AUDIT REPORT

2022-2023 TO 2023-2024

**SES's L. S. RAHEJA COLLEGE OF ARTS and
COMMERCE,
Relief Road, Santacruz West, Mumbai 400054
ACADEMIC AUDIT MANUAL**

About The Institution

Sadhana Education Society's L. S. Raheja College of Arts and Commerce is a premier educational institution situated in the heart of Mumbai's suburbs, Santacruz (West). The inscription 'Deepo Jyoti Prajvalito, Jyanmay, Prakashmay Pradeepah' on the SES emblem, which means 'to shun the darkness of ignorance and to spread the light of knowledge', illustrates the motto of the Society. Established in 1980, it is a Gujarati speaking linguistic minority institution offering quality-oriented education from KG to Ph.D. It has 44 years of excellence in education, research and service. Its illustrious legacy of 4 decades provides students an environment of academic excellence, where they can unleash their potential. Affiliated to the University of Mumbai, the college started its journey by offering Graduate programmes in Arts and Commerce. With its incessant efforts, the College earned a reputation of high standards of caliber and commitment. In 1999, keeping pace with the changing trends in education and the corporate sector, the College was one of the first to offer the then newly introduced unaided programme of the University of Mumbai, viz., Bachelor of Management Studies. It was considered to be the best department in BMS studies amongst Colleges in Mumbai. Thereafter, the college received affiliation BMM in 2005 (renamed as BAMMC in 2019) BAF& BBI in 2006, BSc. IT in 2007 and BFM in 2008. It started M.com. with several specializations from the year 2002. In 2018, the Research Centre (Ph.D.) in Commerce was recognized. It is accredited B++ in the NAAC 3rd cycle. Alongside the degree courses, the College offers several add-on / certificate courses. Spread over sprawling 2.93 acres, offering a vibrant picturesque landscape, the College is housed in a well-planned and well-maintained spacious building amidst a scenic background, with 2 grounds which are used for outdoor games and hosting cultural events. The college building is equipped with ICT enabled classrooms, an Audio- Visual room which is used for screening documentaries and the auditorium with its vibrant modernist architecture is equipped with a state-of-the-art sound system and is used for important events and functions. The college library is a treasure-

house of knowledge housing numerous and a varied collection of books, CDROMs, journals, e-books and other e- resources. The library has Open Access System, and houses a reading room and a UGC sponsored network-resource centre which is used by the students and teachers for study and research. The academic facilities are supplemented by laboratories for computer education, Psychology and Statistics. The college has a gymkhana where students can engage in various sports. The administrative and academic functions of the college are carried out through an ERP and other supporting software.

Our Vision

“Engendering and nurturing values for enhancing knowledge, wisdom, skills and humane values to enable the youth to scale peaks of excellence and pinnacles of glory by imparting quality through education. The institution cultivates creative and productive talents of students, faculty, and staff and seeks ways to contribute to the nation, the well-being of communities, and strives to enhance the quality of life and development of its students and faculty.”

Mission

“The Sadhana Education Society’s L. S. Raheja College of Arts and Commerce will continually strive to impart education to enable its stakeholders to face the emerging challenges of the future.”

ACADEMIC AUDIT OF LSRC
**INFORMATION FOR ACADEMIC AND ADMINISTRATIVE AUDIT OF
THE COLLEGE**

Year – 2022-23 and 2023-24

- 1. Name of the College: SES's L. S. Raheja College of Arts & Commerce.**
- 2. Year of establishment: 1980**
- 3. Programme offered: UG, PG, Ph.D.**

Year	UG	PG	Ph.D.
2022-23	B.Com. B.A. B.A. F. B.M.S. B.B.I. B.F.M. B.A.M.M. C. B.Sc. (I.T.)	M.Com.(Advance Accountancy) M.Com.(Business Management) M.Com.(Banking and Finance)	Commerce (Business, Policy and Administration)

2023-24	B.Com. B.A. B.A. F. B.M.S. B.B.I. B.F.M. B.A.M.M. C. B.Sc. (I.T.)	M.Com.(Banking and Finance)	Commerce (Business, Policy and Administration)
---------	--	-----------------------------	---

- 4. Courses introduced during last 2 years:**
Nil

- 5. Does the College have Academic flexibility? If yes since when?**

The college is affiliated to the University of Mumbai hence there is a limitation in academic flexibility. However, the college has introduced honours Certification programmes and Add-on certificate courses since the last four academic years to keep the students abreast with the current trends and market demands.

- 6. Courses conducted in collaboration with other universities and Institutions:**
Yes.

8. Mr. Rahul Dandekar- Member - Board of Studies – Bhavan's College – Autonomous (2021-2024)
9. Dr. Debajit Sarkar- Member- Academic Council Member- Nagindas Khandwala College (2022-2025)

b. Is curriculum suitable to make students globally competitive in the subject? If

yes, substantiate.

Yes, there are courses like International Finance, Global Business , Financial Market Operations, Advanced Technologies and current trends , Global environment and interdisciplinary studies across all UG and PG programmes which gives students a global perspective.

c. Does the College offer program with sufficient no. of electives options.

Yes, in all UG programmes , College offers electives wherever applicable. For example –

Courses	SY	TY
B.A.	Elementary Quantitative Technique Stress Management Advertising	Psychology Sociology History Economics
B.Com	1.Accountancy and Financial Management 2.Business Management	Computer System and Application Direct & Indirect Tax Human Behaviour at Workplace
BMS	Marketing Finance	Marketing Finance
BAMMC	NIL	Advertising Journalism

d. While framing curriculum, is feed-back taken from stakeholder's considered?

Yes. Even though the curriculum is designed by the respected Board of Studies of University of Mumbai, the HEI collects, analysis, prepares an action taken report and uploads the feedback on the institutional website to enhance the curriculum and to bridge the industry- academia gap. The feedback on curriculum is taken from all stakeholders .

Feedback Link: <https://www.lsrheja.org/iqac/#FeedbackAnalysis>

e. What is the frequency of curriculum revision? (3/4/5 years or more)

Curriculum of University of Mumbai are revised by respective Board of Studies every after 3 to 5 Years.

f. Does the curriculum have emerging thrust areas, including interdisciplinary areas? (If yes, elaborate).

The College encapsulates various cross cutting issues relevant to professional ethics, gender, human values, environment and sustainability through curricular, co-curricular and extra-curricular activities.

Thrust areas in various programs are as follows:

In Business communication, Marketing and Human Resource Management, Business ethics and corporate governance, students are taught ethics in business practices as a part of the curriculum. The institution strives to inculcate professional ethical values in students. The Accountancy syllabus includes a topic on 'Ethics in Accounting', teaching students the ethical aspects to be borne in mind while maintaining accounts and presentation of financial statements.

In TYBA Sociology, students have a paper on 'Sociology of Gender' and 'Gender and Society: Emerging Issues and Contemporary Debates'. The Department conducts webinars and competitions to inculcate gender equality.

The Foundation Course exposes students to human values and fundamental rights through projects, presentations and viva. The institution also creates awareness of human values by celebrating Consumer Rights day, World Mental Health Day, World AIDS Day etc.

In Environmental Studies course, the curriculum is associated with the environment and ecosystem, so students develop a sense of responsibility towards the environment and realization of sustainable development. Clean Diwali, Green Diwali (Eco friendly celebration techniques), Vrukshit (Sapling plantation) help students implement the curriculum in practice.

43. Teaching Learning, Evaluation.

Teaching Learning, Evaluation.

1) Number of teachers preparing following Academic Teaching plan

Teaching Plan consists of number of lectures to be taken on weekly basis along with course topics for that academic year. It is mandatory for every teacher to submit teaching plan at the beginning of Academic Year and follow the same as far as possible.

Year	2022-2023	2023-2024
Number	40	37

2) How many teachers use the following teaching methods?

a) Interactive lecture method using blackboard, Group discussions, Problem solving.

Year	2022-2023	2023-2024
Blackboard, Group Discussion, Problem Solving	100%	100%

b) ICT methods to support lectures.

All classrooms are having facility of ICT projector and Thin client, which is used by all the teachers. Nearly 100% of lectures are conducted using ICT methods to support lectures.

3) Does the college have Peer review processes? If yes, are the suggestions effectively used to improve the teaching quality?

Peer review is not in place for teaching learning. However, feedback is taken from moderators after assessment of answer papers which are shown to respective examiners for their reference. In case of Revaluation the feedbacks are taken from Revaluator after revaluation of answer papers which are shared with respective examiner/s for future reference.

4). Does the College have any mechanism to ensure that entire syllabus is completed?

At the beginning of the term teaching plans are prepared and monitored by HODs /coordinators from time to time. Lectures taken records are also prepared and submitted on weekly basis. Annual Teaching learning Feedback from students are also collected.

Through these mechanisms progress and completion of entire syllabus is monitored by the HOD/Coordinators as the case may be.

5) Do you offer Bridge/Remedial courses? If yes, Give details.

Bridge course in Mathematics and Statistics has been conducted in 2022-2023 and 2023-24 for F.Y B. Com students. In addition to this, Tutorial Books in the courses of Communication Skills of FYBA, Business Communication and Mathematical and Statistical techniques for FY B.COM and Business Economics for FYBCOM and SYBCOM have been prepared by teachers and the same have been distributed amongst students. Workbooks are also prepared for Statistics course for F.Y.B.A. and SY B.A.

Workbook in the course of Business Economics for Self-Financing Courses has been also introduced since 2018-19 and distributed every year. Glossaries covering courses (IT, Marketing, Management, Accountancy and Finance, Communication Media) are prepared and maintained for all subjects.

6) What is the method for conducting internal evaluation?

As per the University of Mumbai norms, test of 20 marks and 5 marks for attendance are given for programs like BMS, BSc. I.T., BAF, BBI and BFM. Project work is conducted for FY and SY students of B.A. and B.Com for Foundation Course. For B.M.M program project and presentation are in place.

44. Teacher Performance:**1) Whether the performance of the teacher assessed by the students? If yes, are the feedback reports analysed and suggestions communicated to teachers?**

Annual feedback on Teaching learning is taken from the students for teachers and these are analysed and communicated to the concerned teacher.

Feedback Summary for 2022-23 for teachers:

Grade	Percentage
Excellent	1.12
Very Good	42.70
Good	40.45
Satisfactory	15.73

Feedback Summary for 2023-24 for teachers:

Grade	Percentage
Excellent	14.86
Very Good	44.59
Good	35.14
Satisfactory	5.41

1) Whether suggestion boxes are kept in the College to get suggestions from students on infrastructural facilities available in the College?

Yes,

- A suggestion box is kept near the office and Library.
- I.C. complaint form is posted on the College website wherein suggestions are frequently received.

2) Are the suggestions received from students used for improvement of facilities?

Reasonable suggestions are implemented from time to time.

- 1) Canteen Augmentation
- 2) Gymkhana Facility near ground.
- 3) Student Activity Area

3) Give details of “beyond syllabus scholarly activities” of the College.

47. How does the College ensure that programme objectives are constantly met and learning outcomes are monitored?

Innovative Pedagogical Techniques: The college utilizes innovative teaching methods to actively engage students in the learning process. These techniques not only foster active participation but also enhance the overall teaching-learning experience, ensuring that students grasp the material effectively.

Experiential Learning: Collaboration with experts, NGOs, and academicians enables the college to incorporate real-world experiences into the curriculum. This experiential learning approach helps students apply theoretical knowledge to practical scenarios, preparing them for real-life challenges in their field of study.

Internships and Hands-on Training: By offering internships and hands-on training opportunities, the college enables students to gain practical experience. This practical exposure allows students to integrate theoretical understanding with real-world applications, thereby reinforcing their learning outcomes.

Continuous Evaluation: Student progress is monitored through continuous evaluation methods such as class tests, presentations, and semester-end examinations. This comprehensive assessment strategy ensures that students' achievements align with the programme objectives and learning outcomes.

Stakeholder Feedback: The college actively seeks feedback on the syllabus from various stakeholders, including students, faculty, and industry experts. This feedback loop helps in refining the curriculum to meet current educational standards and industry demands.

Involvement in Syllabus Framing: Faculty members participate in the syllabus framing process as members of the Board of Studies at the University and other autonomous institutions. This involvement ensures that the curriculum remains relevant, up-to-date, and aligned with educational goals and industry requirements.

By implementing these strategies, the College maintains a rigorous framework for assessing and improving learning outcomes. This holistic approach not only enhances the quality of education but also ensures that graduates are well-prepared for their future careers or further academic pursuits.

48.Highlight the Special facilities (if, any) of the College.

1. Interdisciplinary Add-on/ certificate courses have been introduced for the students within the institution so that students can complete value added certificates/ skill-based courses in addition to their degree programmes.
2. College has provided project room to students for preparing academic projects and to access e-resources with 20 computers and Wi-Fi facilities
3. College has provided network resource centre to faculties to students and faculty for research work and group study with one computer and Wi-Fi facilities.
4. KIBO device installed in the library enables visually-impaired students to listen to books and other physical library resources. KIBO is also used as a tool for translation and editing of printed material.
5. Departmental laptops are provided for academic & administrative use.

49.Highlight the unique features of the Colleges.

1. Advantage Location with easy accessibility.
2. State of the art auditorium & Audio-Visual room
3. Turf playground
4. Facilities for differently abled students like ramp and washrooms
5. Solar System of 35 KW SPV which supplies energy to air conditioners and computer laboratory thereby conserving energy.
6. Rainwater harvesting.
7. Research and Innovation Cell
8. Departmental Publications and Newsletters.
9. NISARG-Nature & Hiking Club organises hikes, tree-plantation drives and other activities to inculcate a love for nature among the students.
10. Entrepreneurial Cell to encourage and promote young entrepreneurs.
11. The college has defined SOP's for all administrative activities and functions including admission, examination, gymkhana activities, Internal Complaints, Student grievance & redressal, examination unfair means etc.
12. External membership to the library for senior citizens and students.
13. The library is fully digitalized with access to E-Resources like EBSCO & INFLIBNET.
14. All classrooms in the college are ICT enabled.
15. E-waste management (initiative to collect e-waste and its recycling)
16. Interactive Flat Panels in some classrooms
17. Campus to Corporate training programmes for selected students of all programmes
18. Employability week for students to make them job ready.

50.State the Innovative practices adopted in the College.**Exhibitions on Current Issues:**

In pursuit of a dynamic educational experience, our college has pioneered several innovative practices that transcend traditional boundaries and empower students across diverse disciplines. Foremost among these initiatives are student-led exhibitions that delve deeply into contemporary issues such as environmental sustainability, social justice, and global affairs. These exhibitions not only showcase our students' prowess in research and critical thinking but also ignite public discourse and raise awareness about pressing global challenges.

'Museum on Wheels' Initiative:

In addition to these thought-provoking exhibitions, our 'Museum on Wheels' initiative stands as a beacon of interactive education, tailored for both college and school students alike. This mobile educational platform brings immersive exhibits directly to campus grounds, enriching learning experiences beyond the confines of traditional classrooms. It enables students to explore a myriad of subjects spanning arts, sciences, and humanities, fostering a profound appreciation for cultural heritage and scientific innovation.

MOUs with NGOs and Institutes:

Further bolstering our commitment to practical learning, strategic Memoranda of Understanding (MOUs) with various NGOs and institutes provide our students with invaluable exposure to the intricacies of business operations and the complexities of social causes. These partnerships facilitate

internships, fieldwork opportunities, and collaborative projects, equipping students with hands-on skills and a nuanced understanding of real-world challenges.

Departmental Journals with Student Contributions:

Moreover, our dedication to academic rigor and intellectual growth is evident through our departmental journals, where students actively contribute scholarly articles, research papers, and creative works. These journals serve as fertile grounds for honing writing, analytical, and research skills essential for both academic excellence and professional success.

Introduction of Certificate Courses:

Recognizing the diverse career aspirations of our students, we have introduced certificate courses that offer specialized training and certification in niche fields alongside our comprehensive academic programs. These courses empower students with additional skills and credentials, ensuring they are well-prepared to excel in their chosen careers and meet the evolving demands of the global marketplace.

Collectively, these innovative practices not only enrich our educational landscape but also cultivate a new generation of conscientious global citizens. Armed with critical thinking abilities, practical skills, and a profound sense of social responsibility, our students are poised to tackle complex challenges and make meaningful contributions to society and their respective fields of study.

51.State the Best practices adopted in the College.

Practice 1: Bridging Theory with Practice

Title of the Practice: Bridging Theory with Practice

In response to the evolving demands of today's competitive environment, our institution has implemented a proactive approach to education that bridges theoretical knowledge with practical application. Recognizing the limitations of traditional learning systems, which often leave students as passive recipients of knowledge, we have adopted a student-centric model that enhances employability by integrating theoretical frameworks with real-world scenarios.

Key Elements:

Guest Lectures and Industry Interaction: We regularly host guest lectures delivered by industry experts who bring real-world insights into the classroom. These sessions not only supplement theoretical learning but also provide students with practical perspectives on industry trends and challenges.

Field Trips: To provide hands-on experience, we organize field trips to relevant industries, laboratories, and sites of technological innovation. This direct exposure allows students to observe and apply their theoretical knowledge in practical settings.

Webinars and Workshops: Leveraging digital platforms, we conduct webinars and workshops on cutting-edge topics and emerging technologies. These sessions facilitate interactive learning experiences and keep students abreast of the latest advancements in their fields of study.

Industry-Academia Collaboration: Our institution fosters strong ties with industries through collaborative projects, internships, and joint research initiatives. This collaboration not only enriches the learning experience but also enhances students' readiness for the workplace.

Student Associations: Active participation in campus life through student associations allows students to take leadership roles, organize events, and contribute to the academic and social fabric of the institution. This involvement cultivates interpersonal skills, teamwork, and organizational abilities crucial for professional success.

By implementing these strategies, we ensure that our graduates are well-equipped with both theoretical knowledge and practical skills, empowering them to excel in their chosen careers and make meaningful contributions to society.

Practice 2: Community Engagement through Extension Activities

Title of the Practice: Community Engagement through Extension Activities

Extension education plays a pivotal role in our university system, fostering community involvement, resource sharing, and sustainable development. Through initiatives like the National Service Scheme (NSS) and Distance Learning and Lifelong Education (DLLE), our students actively engage in a variety of impactful activities aimed at benefiting the community and promoting social responsibility.

Key Elements:

Blood Donation and Health Awareness Camps: Our students participate enthusiastically in blood donation camps, vaccination drives, and health awareness campaigns. These initiatives not only contribute to public health but also raise awareness about preventive healthcare practices among community members.

Environmental Conservation Projects: As part of our commitment to environmental sustainability, students take part in activities such as coastal clean-ups and campaigns promoting eco-friendly practices. These efforts contribute to preserving natural habitats and promoting a cleaner environment for all.

Community Service Projects: Students engage in diverse community service projects that address local needs and issues. Whether it's organizing educational workshops, providing assistance to marginalized groups, or supporting disaster relief efforts, our students demonstrate compassion and leadership in serving the community.

Collaboration with Authorities: We collaborate closely with local authorities and organizations to maximize the impact of our initiatives. Partnerships with police departments, civic bodies, and NGOs enable us to coordinate larger-scale projects and address community challenges more effectively.

Awareness Campaigns: Our students spearhead awareness campaigns on important societal issues such as road safety, environmental conservation, and public health. These campaigns aim to educate and empower individuals to take proactive measures for the betterment of society.

Through these extension activities, our university not only enriches the educational experience but also instills values of empathy, civic responsibility, and leadership among our students. By actively engaging with the community, we foster a culture of social engagement and empower our students to become agents of positive change in the world.

52.Highlight the participation of students and faculty in extension activities.

Awareness programme on:

1. Blood donation camps
2. Cultural events
3. Academic conferences
4. Skill Needs Assessment Survey
5. "Meri Mati, Mera Desh" campaign
6. Expert talks on law enforcement careers
7. Anti-drug abuse awareness event
8. Bhoomipoojan ceremony assistance
9. Integration of AI and data science in NSS activities
10. Drug abuse prevention initiatives with Mumbai Police
11. Road safety awareness sessions with Santacruz Traffic Police
12. Career-oriented talks with police officers
13. "The Problem of Rupee" conference participation
14. Yoga Day celebration
15. Health Check-up Camp
16. AIDS Awareness programs
17. Beach Cleaning Drives
18. Coastal Cleaning Drive
19. Nursery Gardening
20. Compost Pit maintenance
21. Plastic Ban awareness
22. Traffic Control volunteering
23. Independence Day celebrations
24. Rakshabandhan with Army
25. Azadi Ka Amrit Mahostav rally
26. Paper Bag Making and Distribution
27. Cleanliness Drives in public places and adopted village
28. Disaster Management Training
29. NSS Rural Residential Camp at Mulgaon Village
30. Fit India Freedom Run
31. Anti-Dowry Day Street Play Activity
32. Case Study session on National Consumer Awareness
33. Prabhat Pheri followed by Beach Cleaning Activity
34. Post Visarjan Clean-up Drive
35. Street Play activity on National Cleanliness Day
36. Yard Sale - Donation Drive

53.Detail five major Strengths, Weaknesses, Opportunities and Challenges (SWOC)of the College.

Strengths:

- **Centralized Location:** Strategic geographical positioning facilitates accessibility and connectivity.

- **Supportive/Visionary Management:** Eminent leadership under Mr. C.L. Raheja as president and other eminent members of the Management brings business acumen and strategic vision.
- **Effective Leadership:** Strong leadership ensures efficient administration and strategic decision-making.
- **Experienced Staff:** Research-oriented faculty contributes to academic excellence and mentorship.
- **Research Initiatives:** Implementation of ICSSR sponsored research programs and publication in quality journals enhances scholarly pursuits.
- **ISO Certification:** Ensures high-quality standards across operations.
- **Well-Equipped Library:** Extensive print and digital resources, including access to national databases and e-journals, support research and learning.
- **Exemplary Infrastructure:** State-of-the-art facilities enhance the overall learning environment.
- **Recognized Research Center:** Accredited by University of Mumbai, fostering a robust research culture.
- **E-Governance:** Streamlined processes and ICT integration improve administrative efficiency.
- **ICT Enabled Classrooms:** Modern teaching facilities enhance interactive learning experiences.
- **Green Campus Initiatives:** Sustainability efforts such as solar panels and rainwater harvesting promote environmental responsibility.
- **Staff Development:** Staff Academy and opportunities for professional growth, support, and continuous improvement.
- **Inclusive Services:** Library access for senior citizens and external students fosters community engagement.
- **Departmental Publications:** Enhance academic discourse and visibility.

Weaknesses:

- **Hostel Facility:** Absence of on-campus housing limits student accommodation options.
- **Curriculum Flexibility:** Limited autonomy in curriculum design and examination patterns in a non-autonomous setup.

Opportunities:

- **Exchange Programs:** Enhance cultural diversity and academic collaboration.
- **Corporate Collaborations:** Strengthen ties with industry for internships, placements, and research partnerships.
- **Community Outreach:** Expand social impact through service initiatives and partnerships.
- **Add-On Courses:** Introduce programs that enhance employability and cater to industry demands.
- **Incubation Cell:** Support entrepreneurial ventures and innovation.
- **Green Energy Initiatives:** To enhance reliance on sustainable practices and technologies.

Challenges:

- **Diverse Student Population:** Meeting the varied needs and expectations of a multicultural student body.

- **Global Educational Standards:** To enhance curriculum standards on par with international benchmarks and trends.
- **Placement Opportunities:** Addressing demands for job placements and career support.

54. Future plans of the College: Short term plans

- Apply for autonomous status to enable academic flexibility and curriculum development.
- Establish strong industry academia linkages
- Enhance and upgrade the curriculum to meet the industry requirement and meet international standards.
- Strengthen relationships with industry for internships, placements, and research partnerships.

Long term plans

- Formation of cluster university
- Introduce cutting edge programmes to cater to the industry demands and increase employability.
- To construct additional floor to accommodate new programmes.

ACADEMIC AUDIT OF LSRC
GAP ANALYSIS -ACADEMICS

HERE THE COLLEGE IS NOW

1. College offers 8 degree programmes affiliated to University of Mumbai and the syllabus is as drafted and approved by board of studies of University of Mumbai.
2. ICT trained faculty
3. ICT enabled classrooms.
4. Guest Lectures and expert lecture series.
5. Implementation of ERP for administrative and academic functions.
6. Unaided courses are not permanently affiliated to the University.
7. Scope for improvement in student performance.
8. Implementation of Add-on courses / Certificate courses.
9. Completion of Swayam courses.
10. Industrial visits and study tours
11. Industry-academia link established.
12. Moderate placement
13. Entrepreneurship cell
14. Excellent infrastructure (Smart Classrooms/Canteen/Auditorium/Gymkhana/Library/Audio-Video Room/I.T. Laboratory /Psychology Lab./Statistics Lab./Electronics Lab.

WHERE THE COLLEGE WANTS TO BE

- d) To become autonomous institution offering contemporary and novel courses and curriculum through varied under graduate and post graduate programmes
- e) Increased Academic tie-ups, both domestic & international
- f) More add-on and certificate courses with an increased intake
- g) Increase in students' intake in Swayam courses
- h) Introduction of multi-disciplinary courses
- i) Additional Industry Academia tie up
- j) Recruitment Hub
- k) More academic collaborations and exchange of students and staff
- l) Full-fledged Incubation Centre
- m) Well equipped Media Laboratory
- n) Maximise internship opportunities for students
- o) Development of E-Content and reading material by the teaching staff.
